Try again (login-try-again.php)

Desktop/Landscape

The desktop layout features a wide header with a 'logo' on the right. Below the header is a dark 'navigation bar'. The main content area is centered and contains the 'Login' title, an error message in red, a prompt to try again, and input fields for 'Username' and 'Password'. A 'login' button is positioned below the fields. The page is framed by a light gray border, and a dark 'footer' is at the bottom.

Manage Blog (manage-blog.php)

Desktop/Landscape

Mobile/Portrait

the object can display different things:

- thumbnail of last published post
- scrolled list of all blog posts
- current view of blog page (with link to it)

Add post (manage-blog-add.php)

Desktop/Landscape

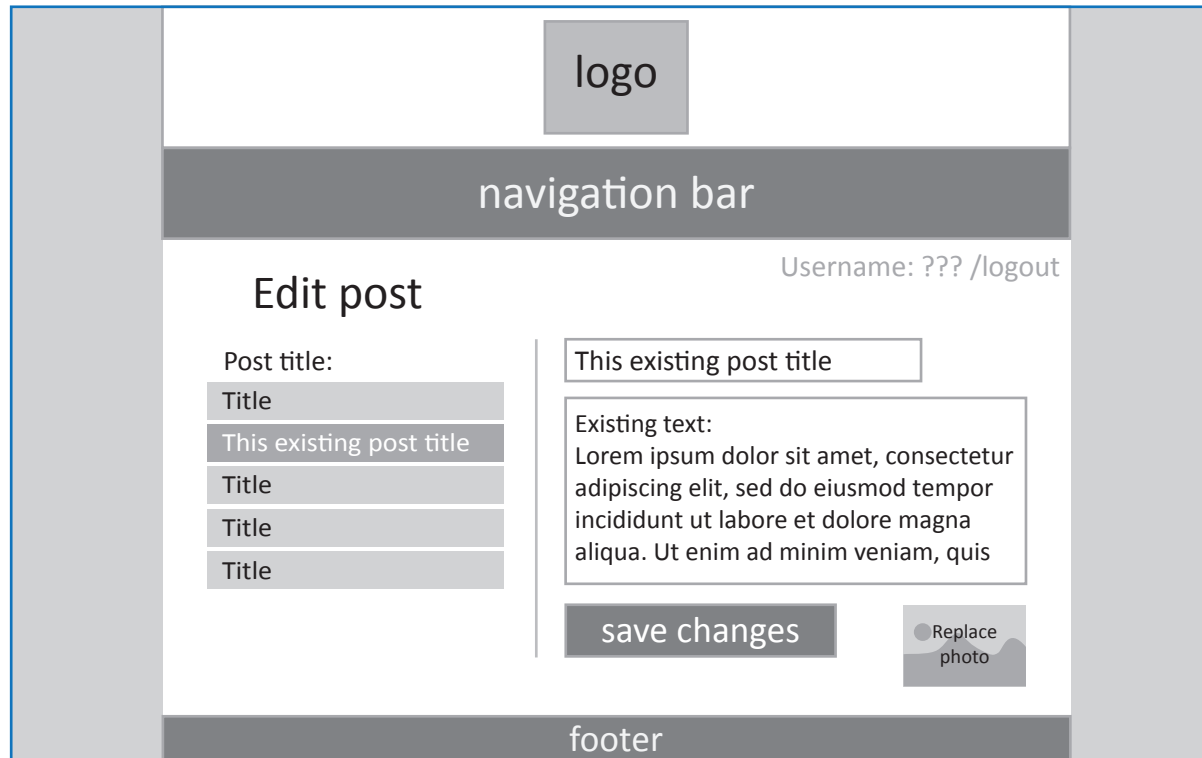

The desktop layout features a wide header with a 'logo' on the right. Below it is a dark 'navigation bar'. The main content area is flanked by two vertical gray bars. On the left, the text 'Add post' is displayed. On the right, the text 'Username: ??? /logout' is displayed. The form consists of an 'Enter title:' label followed by a text input field, an 'Enter text:' label followed by a larger text area, an 'Upload photo' button with a circular icon, and a 'save changes' button. A dark 'footer' bar is at the bottom.

Mobile/Portrait

The mobile layout is a single-column version of the desktop form. It starts with a 'logo' at the top, followed by a dark 'navigation bar'. Below the navigation bar, the text 'Username: ??? /logout' is centered. The title 'Add post' is centered below the username. The form elements are stacked vertically: 'Enter title:' with a text input field, 'Enter text:' with a text area, an 'Upload photo' button, and a 'save changes' button. A dark 'footer' bar is at the bottom.

Edit post (manage-blog-edit.php)

Desktop/Landscape

The desktop layout features a wide header with a logo on the left and a navigation bar on the right. The main content area is divided into two columns. The left column contains the 'Edit post' title and a list of post titles. The right column contains the 'Existing text' area and a 'save changes' button. A 'Replace photo' button is located at the bottom right of the main content area. The footer is at the bottom.
